No. 2:22-cv-01708-KJM-EFB

ORDER

17 This court previously adopted the Magistrate Judge’s recommendation to dismiss this
18 action without prejudice to a complaint asserting a claim for breach of contract. *See* F&Rs, ECF
19 No. 19, *adopted*, ECF No. 22. Judgment was entered, ECF No. 23, and Petitioner’s appeal was
20 dismissed for lack of jurisdiction, ECF Nos. 28–29. Petitioner has now filed a lengthy document
21 titled “Bill of Lading.” ECF No. 30. The court can determine neither what relief petitioner seeks
22 nor whether he requests relief from the judgment and on what grounds. The petition at ECF
23 No. 30 is therefore **stricken**. The court will disregard any further similar filings in the future.

24 IT IS SO ORDERED.

25 DATED: January 23, 2024.
